Scroll down and find out what your favorite celebrity breast size is. OR do the easy thing and use this search bar thingy. Just type the name of the celebrity you're looking for and if I have her name, she'll pop up on the results page. Of course I don't have every actress in Hollywood on this page, but I have alot.

Type the famous lady's name in the  
search bar...

Search

or just scroll down and take a gander at  
all the celebrity breast sizes!

Welcome to My  
Site!

[If you like celebrities you might like this page!](#)

*Wait! This is Important.....*

*Just remember that celebrity breast sizes seem to change with barometric pressure, I'm not sure if this is her current size, but it's probably safe to assume that at one time or another, a particular actress had this particular bra size.(How's that for a disclaimer! ;) As actresses age they seem to get bigger bazooms!*

*FYI: I created a [Breast Size Chart](#) you might enjoy looking at. Especially if you're looking for a comparsion of breast size and household objects.*

*I also designed a [celebrity bra size page](#) that shows pictures of celebrities so you can see different bra sizes. (It's more interesting than this page, with pictures and stuff) I consider this list strictly informational. So if you want to see pictures of Maxi Mounds and Norma Stitz, respective world record holders for breast size, head there.*

## Celebrity Breast Size "A"

Jackie Kennedy 35-A

*My name is Rachel.  
I'm a wife, mother,  
DYler, and most  
importantly a woman  
who has learned to  
love myself and my  
34F curves!*

*I've worked hard to  
fill BigBustSupport  
with everything that  
could possibly make  
life easier for women  
(and men) with Large  
Breasts.*

*Hope you enjoy!*
